## SUMMARY

Full Stack Developer skilled in React, Vue.js, Node.js, and SQL. Passionate about building high-performance web apps and scalable backend systems. Seeking to apply my expertise to solve real-world challenges and drive innovation in a dynamic team.

## EDUCATION

**Rathinam Technical Campus, Coimbatore**                     **Nov 2021 - Aug 2025**

Bachelor of Engineering                                                        Grade: 7.8 CGPA

## EXPERIENCE

**CAD+T Solutions**                                                          **Jul 2024 - Present**

Vue Js Intern

- Developed responsive web interfaces and optimized UI components using Vue.js, collaborating with backend teams to integrate APIs and resolve issues.
- Participated in code reviews, testing, and debugging processes to ensure high-quality code.
- Identified and implemented improvements in software performance and reliability.

## PROJECTS

**Nxt Trendz**                                                               **Jan 2023 - Mar 2023**

Professional

- Built a full-stack e-commerce platform similar to Flipkart using React.js, Node.js, SQL, and GitHub for version control. Implemented JWT authentication and integrated REST APIs for secure and seamless data flow.
- Optimized for fast performance, leading to a 40% increase in retention and 30% growth in new users. Features include dynamic product listings, cart functionality, and secure payments.
- Collaborated with cross-functional teams to ensure alignment with business requirements and improve user experience.

**Jobby**                                                                    **Apr 2023 - Jun 2023**

Professional

- Developed a full-stack job search platform featuring JWT authentication and REST API integration, reducing unauthorized access by 50%.
- Utilized React.js, JavaScript, CSS, Bootstrap, and local storage for a dynamic and secure user experience.
- Engaged in agile processes, including sprint planning, daily stand-ups, and retrospectives to ensure timely delivery.

## ACHIEVEMENTS

- Optimized e-commerce platform performance, leading to a 40% increase in retention and 30% growth in new users.
- Developed a job search platform reducing unauthorized access by 50%.

## CERTIFICATIONS

**Python**
**ReactJS**
**SQL**

## SKILLS

- **Frontend:** HTML, CSS, JavaScript, React Js, Vue Js
- **Backend:** Python, Node Js, Express Js
- **Database:** SQLite, MongoDB
